Zanesville, Ohio — The City of Zanesville today announced that the 2026 Secret Summer Concert Series will be temporarily relocated to Zane's Landing Park during planned renovations at Secret Auditorium. The move ensures that the long-standing community tradition continues without interruption while offering guests a vibrant outdoor experience along the Muskingum River.

The Secret Summer Concert Series will remain free for all attendees and will feature live music, food trucks, Jaycees beer garden for purchase, and a relaxed bring-your-own-chair atmosphere under the shade of the park's mature trees. Guests will enjoy a scenic riverfront setting that enhances the popular Rock on the River summer experience.

To provide convenient access, the City of Zanesville will offer shuttle service from downtown parking areas to and from Zane's Landing Park for anyone who needs transportation.

"We are grateful to our sponsors, whose support makes this series possible year after year," said the City of Zanesville. "Their commitment helps us continue offering family-friendly entertainment while our auditorium undergoes important updates."

Businesses interested in sponsorship opportunities may contact Marketing Director Monica Martinelli at 740-617-4703 or monica.martinelli@coz.com.
